*Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because **God is love.***

*This is how God showed His love among us: He sent His one and only Son into the world that we might live through Him. This is love: not that we loved God, but that He loved us and sent His Son to be an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another. No one has ever seen God, but if we love one another, God lives in us and His love is made complete in us...*

*And he has given us this command: Whoever loves God must also love his brother.*

*1 John 4: 7-12, 21.*

*This is how God showed His love among us: He sent His one and only Son into the world that we might live through Him. This is love: not that we loved God, but that He loved us and sent His Son to be an atoning sacrifice for our sins.*

*It's a wonder God didn't lose his temper and do away with the whole lot of us. Instead, immense in mercy and with an incredible love, he embraced us. He took our sin-dead lives and made us alive in Christ. He did all this on his own, with no help from us! Then he picked us up and set us down in highest heaven in company with Jesus, our Messiah.*
