ARMY TO GUARD HOSPITALS AND SUPERMARKETS

By Glen Owen, Mark Nicol

MINISTERS have drawn up plans to put troops on the streets to help deal with the coronavirus crisis after the number of deaths almost doubled within 24 hours.

With the death toll jumping from 11 to 21 and the number of confirmed UK cases leaping by almost 40 per cent, Downing Street accelerated plans to ban large public events and implement the self-isolation of entire households where any member has succumbed to the illness.

In a bid to 'shield' the most vulnerable, the Government is also expected to tell people over 70 to stay in strict isolation at home or in care homes for four months.

Under emergency legislation to be put before MPs within days, safeguards introduced after the scandal involving serial killer Dr Harold Shipman will also be suspended in order to speed up cremations and burials.

Ministers will also get powers to make compulsory purchases of land to free up room for extra graveyards.

In preparation for the worst-case scenario,

“GOD IS OUR REFUGE AND STRENGTH,
AN EVER-PRESENT HELP IN TROUBLE.”

PSALM 46:1

*46:1 God is our refuge and strength, an ever-present help in trouble.
2 Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea, 3 though its waters roar and foam and the mountains quake with their surging. 4 There is a river whose streams make glad the city of God, the holy place where the Most High dwells. 5 God is within her, she will not fall; God will help her at break of day. 6 Nations are in uproar, kingdoms fall; he lifts his voice, the earth melts. 7 The LORD Almighty is with us; the God of Jacob is our fortress. 8 Come and see the works of the LORD, the desolations he has brought on the earth. 9 He makes wars cease to the ends of the earth; he breaks the bow and shatters the spear, he burns the shields with fire. 10 "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth." 11 The LORD Almighty is with us; the God of Jacob is our fortress.*
